

DVB-H Project Office Survey of DVB-H Trials

The DVB Project Office aims to gather together as much information as possible regarding the various DVB-H trials completed, on-going or planned around the world. This information will be published on a dedicated DVB-H website along with other information regarding the specification.

We realise that not all of the fields below will be relevant to every trial, and also that some information may be confidential, however we would appreciate it if you could provide as much information as possible.

Your assistance is appreciated. If you have any questions please contact Eoghan O'Sullivan on +41 22 717 2724 or osullivan@dvb.org – you should also return the completed survey to this address.

If you click on the grey boxes you will be allowed to type an unlimited amount of text.
